RESA is industry governed not for profit

The Resources and Engineering Skills Alliance contributes to the development of the resources and related sectors’ capability and workforces. Aiming to improve business, social and economic outcomes for South Australia.
Role

What we do:

- Research, Analysis and Advice for Industry and Government
- Workforce Planning and Development Services
- Business Capability Building Programs for suppliers
What is the hiring intentions report?

Analysis of last quarters’ advertised vacancies to get an understanding of:

- Current information, skills demand
- skills required
- activity of the industry
- opportunities and pathways
Where do we get the data?

Collect and analyse online advertised vacancies that meet the following criteria:
- Jobs for South Australians (located in SA or FIFO)
- Resources and Energy sectors

Classify vacancies by:
- Sub sector
- Job Level
- Location
- Occupation
Are there any jobs?
